NATURALIZATION APPLICATION ASSISTANCE SERVICE AGREEMENT

I understand and agree that:

1. The Filipino American Service Group, Inc. (FASGI), in conjunction with qualified attorneys, will help me determine my eligibility for naturalization and prepare my naturalization application. No other services (including representation at my naturalization interview) are included.
2. Applicants are requested to give a \$130.00/applicant donation for fees rendered.
3. FASGI is not required to continue their services after the legal review.
4. The information and documents I provide are accurate, true, up-to-date and complete to the best of my knowledge.
5. I understand that this naturalization application assistance does not provide in-depth legal consultations.
6. I understand that if I have ever been stopped by the police, accused of a crime, been taken to court, seen a judge and/or been stopped, arrested or detained by DHS, that I will need to seek legal advice and consultation beyond this naturalization application assistance process before submitting my naturalization application.
7. I further understand that certain issue/s may arise from filing this naturalization application that could lead to removal proceedings, including abandonment of lawful permanent resident status. I understand that I will need to seek legal advice and consultation beyond this naturalization application assistance process before submitting my naturalization application if I have these issues. I understand that failure to seek such advice may result in deportation/removal proceedings against me.

WAIVER:

I, _____, have read the above advice and writing, and understand that I may encounter problems if I submit an application for U.S. citizenship without first consulting with an immigration attorney regarding the effect of any criminal activity, or previous immigration violation on my case. I wave my liability claim against the Filipino American Service Group, Inc., its staff, volunteers, or its agents.
